

Wer bin ich?

Was meinst du, was andere über dich denken?

The diagram consists of a central circle with the word "Ich" written inside. To the left of the word "Ich" are three smiley face icons arranged vertically: a happy face (☺), a neutral face (☹), and a sad face (☹). Surrounding this central circle are six other empty circles of varying sizes, positioned at the top, bottom, left, and right, intended for students to write their thoughts or feelings.
