Now go back to your class again.

I'm sure you have already been missed.

Your teacher is waiting with a prize for you 😊.

Now that you have learnt so much about Scotland it would be a great idea to present this to your class. Prepare a 5-minute PowerPoint presentation about Scotland.

Your presentation should be in English and include information on:

- *General facts about Scotland*
- *Cities/capital*
- *Traditions*
- *Wildlife*
- *Myths and legends (1 example)*
